

Loving minds ♥ Hearts ♥ Hands

Weekly Newsletter

Welcome Back

We hope that you enjoyed half term and we are delighted with the news that **all** children will be returning to school on **Monday 8th March**. A letter was sent on School Spider this week on how you can help your child get ready for their return. Another letter will be sent next week confirming times and what measures will be in place to ensure everyone's safety when everyone returns.

World Book Day

On Thursday 4th March children at home and in school will be celebrating world book day. Also, we are asking children and staff to wear pyjamas for the day as this links to a bedtime story theme (children must wear sensible footwear though). Each class will have a range of activities linked to world book day set for them including on extreme reading

Purple Mash BIG QUESTION

This week's big question was, **How important are trees?** Thank you to all those who responded including Samir who said: It is important because the health of people relies on the oxygen the trees make from the carbon dioxide that humans breathe out. The next big question is: **Should we choose products based on their packaging?**

Friday 26th February 2021

Science Challenge

Next week, we want you to do a science scavenger hunt! Now it's getting slightly better weather, we want you to find an example of these things. Take a picture and send it to your class teacher on google classroom! Go and find: Something rough, something smooth, something that was once alive, something which was never alive, something made from plastic and something you can eat something that lives on or in water (be careful!).

Home Learning Champions

Every week, each class teachers will select a champion from each class who has been really committed to their home learning. It is a difficult choice as so many of you are doing fantastic. This week's champions are: **Iliza, Charlie, Lucas, Samir, Olivia, Agata, Charlotte and Jeevan**. Well done everyone!

Saturday Vigil Mass

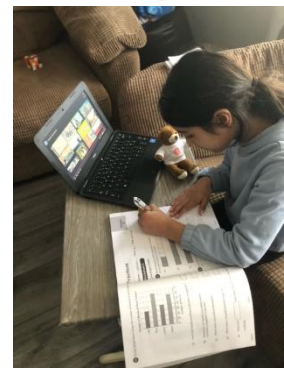

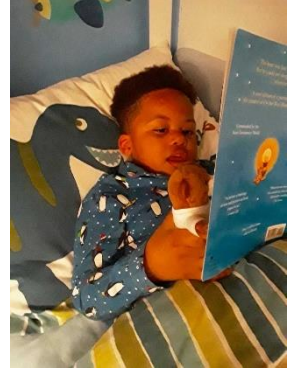

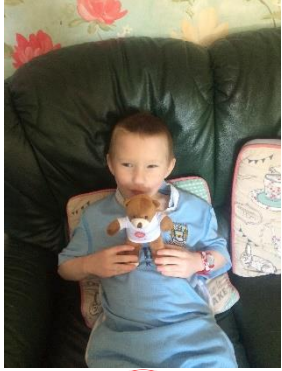

Every Saturday at 5.30pm, there will be a Vigil Mass at St. Ambrose Church. For more information visit [St Ambrose RC Church Chorlton](#) on Twitter

Happy Birthday

Angel & Isabella Who have celebrated a birthday this week.

St. Ambrose Teddy Bear

We can barely wait for the 8th March when all children can return to school. We hope that Ambrose the bear will keep you great company until then. Thank you to all the parents who have sent pictures to school of their children with their Ambrose the bear.

Extreme Reading Challenge

Next week, on Thursday 4th March, is World Book Day. We would like you to take part in the Extreme Reading Challenge! Take a photo of yourself reading in an unusual place. This could be upside down on a climbing frame, in a cupboard or even in the dog's bed! Can you think of a strange or unusual place to read? Send your photo in to your teacher. There will be prizes for the most unusual. Can you spot where Miss Smith is reading her book? We look forward to seeing your photos. Good luck!
