# Weekly Newsletter

## Welcome Back

It was a glorious sight seeing the school full again with children on Monday.

The children looked extremely smart in their school uniforms and they have settled back into the school routine really well. Check the school social media pages to see a taste of what the children have done this week.

## Face Coverings

Thank you to all the parents and carers who have worn face coverings when entering the school grounds this week. If you are exempt, please make sure that you have your exemption pass with you. If you don't have a mask or an exemption pass, you will be asked to not enter the school grounds.

## Covid-19 Symptoms

A reminder that children should not attend school if they have any of the three main Covid-19 symptoms.

Your child and their siblings cannot return to school until a negative test has been received. For further guidance, visit the school website or the School Spider app.

## Science Challenge

Can you take a selfie associated with where you find science naturally occurring in your home or local community?

It could be in the kitchen doing some baking, in the garden doing some growing or even in the supermarket! If you can, take a selfie and email your picture to Mrs Smith at year3@st-ambrose.manchester.sch.uk

## St. Joseph Penny

Normally we would have the boxes to fill up but this year we are having to do something a little bit differently.

The staff are walking, cycling and running (virtually of course!) from John O'Groats to Lands End and back again - that's 1883 miles- between now and Easter. Any donation would be greatly appreciated as many of the children in our school have been helped by the work Caritas do over the years.

We will keep you up to date of our progress and any fundraising activities we will do in school. As of writing this we have...

There will be an announcement next week for a fundraising activity for the children to join in with.

# Loving Our Learning

The children and teachers are very proud of the learning that has been happening within school this week. To see more pictures, visit our Facebook, Twitter and Instagram pages.

Nursery loved holding the guinea pigs and were very careful when stroking them.

Reception have been planting cress this week as part of their growing topic.

Year one have been practising logging into the laptops safely and learning about their right to privacy.

Year 2 children really enjoyed getting stuck into Where The Wild Things Are again in literacy!

Year 3 loved learning about timelines and important things which happened in the last 100 years.

Year 4 enjoyed investigating how to make a lightbulb light in science.

Year 5 had fun separating materials involving sieving and filtering in science this week.

Year 6 children took a look at our new timeline to pinpoint the origins of democracy as part of their new History topic.

Well done to the children who won the Extreme reading competition on World Book Day. We hope you enjoy your prize.
