Weekly Newsletter

Communication

It is vital that parents have downloaded and are logged in to the School Spider app so that they can receive the latest information and updates from school. Please download this to your smart devices. Also please make sure that school has the correct contact details, so you do not miss important updates from school.

Remote Learning

If a child or a class are self-isolating due to Covid - 19 the learning for the children to complete while at home will be on their class webpage. There is a timetable for either an individual or a class so that they can continue with their learning whilst self-isolating at home.

Stay Safe

We encourage all families to continue to follow the government guidance regarding social distancing and for different households not to mix at home. Also when children and class bubbles are self-isolating, children should remain at home and not be going outside to public places.

Science Selfies

Thank you to all those who joined in with last week's challenge which was to take a selfie where science is naturally occurring at home or in the local community. You can see on the next page some of the selfies that were sent to Mrs Smith. Well done to those who took part.

St. Joseph Penny Break The Uniform Rules Day

Next Friday, children and staff will be able to break the following rules for one day:

1. Wear a wig or have crazy hair.
2. Wear a football top.
3. Paint your nails.
4. Wear face paint or makeup
5. Dress up in fancy dress
6. Wear your uniform backwards
7. Wear activewear/gym wear.
8. Wear a novelty jumper
9. Bring an unhealthy snack for break time

Each rule broken will cost 50p. The children can break as many rules as they want but remember it is 50p per rule that is broken. All the money raised will go to St. Joseph Penny. This is a charity that reaches out to vulnerable children and families in our communities and offers support in lots of different ways.

Loving Our Learning

The children and teachers are very proud of the learning that has been happening within school this week. To see more pictures, visit our Facebook, Twitter and Instagram pages.

Nursery had great fun in their PE lesson this week, trying to balance a tennis ball on their bat

Reception went to the prayer garden for collective worship and focused on how we grow during Lent.

Year 1 have loved art this week. They have been exploring the use of different sized brushes and tones.

Year 2 loved exploring the outdoor timeline and placing their significant events in the history of flight on it.

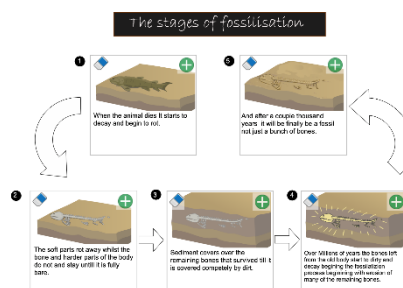

Year 3 children have been researching about fashion and making their own presentation.

Year 4 enjoyed investigating with water colours how to create light and dark through different tones.

Year 5 enjoyed learning and writing about the Viking raids on Lindisfarne.

Year 6 have been learning remotely about fossilisation and the different stages.

Well done to all those who took 'Science Selfies' at home to show science around them.
