# Weekly Newsletter

## Gospel Message

This week's Gospel assembly focused on how we can be a shining light to others. This was very apt as it linked to Children's Mental Health Week and the children reflected on how we can help each others mental health by brightening up everybody's day with acts of kindness.

## Mental Health Week

This week, children celebrated Children's Mental Health Week with a range of activities. On Monday children came to school in bright non-uniform clothes so that they can 'dress to express' The theme of 'Let's Connect' has been the focus and children have been learning how we can be better together.

## Safer Internet Day

Tuesday was safer internet day and children from all classes completed a range of activities, learning about how to stay safe online. More information about Safer Internet Day can be found at: <https://saferinternet.org.uk/safer-internet-day/safer-internet-day-2023> Our school website has tips on how to stay safe online.
