Gospel Message

This week's Gospel assembly was led by Mr Cunningham and focused on Jesus, being our source of inspiration so that we may give, act and pray during Lent so that we will make good choices in our lives.
Also, Years 1, 2 and 4 celebrated mass at Church today.

Parent Workshop

On Tuesday 21st March, at 9am, there will be an 'Empowering the Parent' workshop led by our behaviour consultant, Nichala Johansen.
The aim is to support parents and grandparents managing difficult behaviours at home by children through sharing some strategies.
Everyone is welcome.

Parents' Evening

On Thursday 30th March, St. Ambrose will be hosting Parents' Evening. Slots are available to book between 2pm and 6pm and can be selected via School Spider. This will be held in school and in person and is a great opportunity to discuss the progress of your children with their class teacher.

Friday 17th March 2023

St. Patricks Day Performance

We began today with a musical treat from the pipe band who lead an after school group on Monday.
With a selection of traditional Irish songs for St. Patrick's Day, and children joining in with the music, the children, families and staff really enjoyed the performance.

Superb Science

This week, the children celebrated Science Week by doing a carousel of science activities.
The children really enjoyed the practical activities and investigations and learned that there are plenty of jobs that are connected to science. Also, Y5 and Y6 took part in a virtual author visit from scientist Maggie Aderin-Pocock.

Attendance Heroes

Year 4 and EYFS enjoyed their rewards this week for excellent punctuality and attendance from last week.
Year 4 put the O in Oreo by having 0 minutes late and Reception enjoyed a non-uniform day because they had 100% attendance last week.
Well done!

Attendance Matters

Loving Our Learning

It has been another wonderful week at St. Ambrose and we are proud of the children and their learning. You can see more pictures of their learning on our social media pages

Early Years loved going on a number hunt around school.

Year 1 loved playing 'Happy Families' for the four countries of the UK.

Year 2 loved creating their own dance in P.E.

Year 3 have loved researching and tasting different types of bread in DT this week!

Year 4 loved being seismologists as part of National Science Week

Year 5 loved attending a Dr Maggie Anderin-Pocock's live event that answered lots of questions about space.

Year 6 loved taking part in a virtual author visit from inspirational scientist Maggie Aderin-Pocock. They learnt how we are made of stars and other amazing facts about space

Bernard has been helping children with their times tables this week.
