Mental health Awareness Week and Mission Possible

Next week is Mental Health Awareness week. Children will be learning a range of strategies that will help them feel happier and reduce anxiety. To celebrate the start of the week **children and staff will wear green on Monday 15th May.** One strategy that the children will learn to help reduce anxiety is to be kind.

An act of kindness to start the week will be for children to bring in a donation of the following

- baby clothes and shoes
- balloons and bubbles
- hats and children's clothes
- inflatable footballs or toys

This is to support our vice chair of governors (Mrs Campbell) who is going to Kenya to work in school and homes to help those in great need. All donations will be gratefully received and will make a positive difference to somebody's life.

SATS

Well done to Year 6 who completed their SATs this week.

The children gave 100% effort in their assessments and we eagerly await the results when we get them in July.

Next week, Year 2 will be doing their end of key stage 1 SATs as well as other classes doing their summer assessments.

Cricket Trip

Year 5 and 4 enjoyed visiting Lancashire County Cricket Club on Thursday and Friday respectively,

They participated in lots of workshops, watch some cricket (when it was dry) and even got to meet some of the players

All the children had a fantastic experience.

School Meals

Please can all parents and carers make sure their child's meals are ordered everyday.

Meals need to be ordered every day by 8:55 am using your child's School Grid account. This will ensure our school cook makes enough food for all the children and your child has the meal of their choice.

Attendance HEROes

Unsurprisingly, Year 6 had full attendance this week, which means they have a non-uniform day next Friday.

Well done to them! Also, Year 6 did the double by having the least minutes late for school.

These children are **ATTENDANCE HEROes!**

Loving Our Learning

The children at St. Ambrose have had another wonderful week and we are proud of the children and their learning. You can see more pictures of their learning on our social media pages.

EYFS loved learning about the world behind them.

Year 1 loved making equal groups in maths.

Year 2 loved describing properties of the wind and the Holy Spirit in RE.

Year 3 loved practising their hand-eye coordination in PE this week!

Year 4 loved experimenting with different colour effects in computing.

Year 5 loved visiting Lancashire County Cricket Club.

Well done to Alexander who scored a goal in the final for his football team and helped them win the cup. We love hearing about what children achieve outside of school and enjoy sharing this in ACE assembly each Friday.

Year 6 loved celebrating the effort they put into their SATs this week.
