## Welcome Back

### Welcome Back!

We hope that everyone enjoyed the half-term holiday and it was great to see so many smiling faces return to school. This half-term will be a busy one with lots of activities and learning for the children to do. We began the week with a Gospel assembly that focused on the feast of Corpus Christi.

## OFSTED

At the beginning of the week, St. Ambrose received it's official OFSTED report from the OFSTED inspection in April.

We are very proud of the report and believe it is a good reflection of what type of school we are.

The report was sent to parents electronically and we would like to thank everyone in our school community for helping make our school continue to be good.

## Sports Day

Next Friday is Sport's Day and we are hoping that we have similar weather to what we have had this week.

A letter has been sent out regarding what times each class will be completing the activities and what colour t-shirts the children need.

Parents are welcome to attend and cheer on their children, as well as compete in a tug-of-war competition. Fingers crossed for good weather.

## Coffee Morning/Parent

Thank you to those who attended our coffee morning with Nichala from Positive Approaches on Wednesday. We hope that having the opportunity to speak with others was helpful. The next parents' coffee meeting is Wednesday 5<sup>th</sup> July.

## Thank you

Thank you to all the donations and well wishes that were sent to Mr Cunningham for his Chester 100 race.

He managed to finish the 106 miles in 29 hours and 23 minutes. Most importantly, this has helped raise £850 which will help the church purchase a defibrillator.

Thank you everyone for your kind support.

## Attendance Heroes

Well done to Year 5 who are leading the way as our ATTENDANCE HEROes this week.

They have had 0 minutes late and will be rewarded with an oreo treat next week.

They have put the 0 in Oreo and we expect more classes to follow their superb example.

# Loving Our Learning

It has been another wonderful week at St. Ambrose and we are very proud of the learning that our children do.

Early Years loved developing their understanding of the world through play.

Year 1 loved learning about the Holy Trinity.

Year 2 loved learning about God's treasure in RE.

Year 3 loved learning about how to react in an emergency situation in PSHE this week

Year 4 loved learning about Islam and the Q'uran from their brilliant classmates

Year 5 loved learning how to create conditions when programming.

Have a lovely weekend and try to keep as cool as possible any way you can.

Year 6 loved starting to make props for their final production!
