## GIFT Team

Congratulations to the latest additions to our school GIFT (Growing in Faith Together) Team.

They were commissioned at Mass last Sunday by Fr. Tierney and now have the important role of leading and supporting children in school. We are very proud of them as they are proud of to wear their purple jumpers.

## Mission Nairobi

On Thursday, Mrs Campbell led an assembly about Mission Nairobi. Before the half-term holiday, many families kindly donated to this great cause and Mrs Campbell shared with the children how their generosity is helping others who are less fortunate than ourselves.

## Triathletes

Our KS2 children took part in a Mini-Triathlon to encourage more ways in how we can enjoy different types of sport, keep fit and have fun! At this event they had to swim 50m, cycle 800m and then finish with a 400m run. The children received a t-shirt, goody bag and a medal to remember the occasion!

## Reading Books

Next Friday, all reading books that children take home will be collected in school. This means that for the last week of school, children will not be taking a reading book home. Please ensure that your child has their reading book with them next week so that we can return them to our school library.

## Superb Science

A group of Year 5 children went to Loreto High School to take part in a science Masterclass. The children carried out an experiment investigating which was the better fuel. They thoroughly enjoyed their first masterclass and are looking forward to completing more experiments

## Fantastic Football

Last Friday, a group of Year 5 children competed in the final of a Y5 MCFC football tournament. The children were fantastic! They reached the quarter-final where they were unlucky to be knocked out on penalties. We are really proud of how they represented the school. Well done!

## School Reports

Today, you will receive your child's end-of-year school report which reflects the effort, progress and attainment of the children this academic year. The reports will be sent electronically via School Spider so please check your notifications.

# Loving Our Learning

This week has been another wonderful week of learning at St. Ambrose and we are very proud of the children.

EYFS loved writing outdoors this week.

Year 1 have loved reading longer stories in RWI.

Year 2 loved solving two step problems with money in maths.

Year 3 loved completing their pentathlon events in P.E. this week!

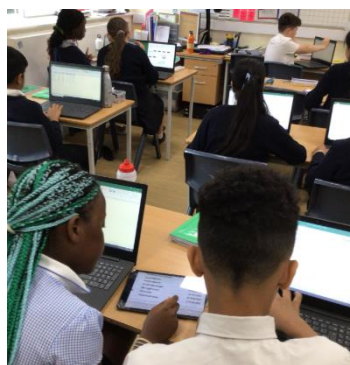

Year 4 practising skills for the pentathlon in PE.

Year 5 loved creating their toy cars in DT.

Well done to Evita who is now an altar server at St. Ambrose Church.

Year 6 have loved learning how to use excel spreadsheets to calculate data information.
