Assemblies

This week's assembly focused on using our gifts and talents to help others rather than focus on material things. Children reflected on how they can spread love to each other and be the best version of themselves, rather than focusing on things that we don't necessarily need.

Books and PE Kits

Please can you ensure that all home reading books are returned to school by Tuesday. Children will not be taking reading books home from Wednesday onwards.

PE kits are to remain in school until Wednesday and children will bring their PE kits home Wednesday afternoon.

Free Swimming

MCRactive are providing free swimming to all children under 17 over the summer holidays at their swimming pools across Manchester. To see further details on how to download the app and access this great initiative, go to page 3 of the newsletter and follow the instructions.
