Gospel Assembly

In this week's Gospel assembly, the children listened to the message that we should not be jealous of one another but celebrate everyone for their talents and uniqueness. The children's task this week was to compliment each other for what they do well.

Meet The Teacher

On each class page, you will be able to view the 'Meet the Teacher' videos and presentations that each class teacher has done. On these you will discover information about this academic year including what is expected from the children in each class.

Fond Farewell

It is with sadness that this week, we said farewell to Mr Bluer. We would like to thank him for his wonderful contribution and work that he has given to St. Ambrose in his time with us at school and we wish him all the best for his future.
