Purple Monday

To celebrate the start of Advent, the children have been asked to come to school wearing purple on Monday.

There will be a Gospel assembly at 9am on Monday morning which will focus on the first week of Advent and its importance.

Attendance Matters

95%	=	47 LESSONS MISSED EACH YEAR 8 days in total or 1 week and 3 days
90%	=	95 LESSONS MISSED EACH YEAR 16 days in total or 3 weeks and 1 day
85%	=	142 LESSONS MISSED EACH YEAR 24 days in total or 4 weeks and 4 days
80%	=	190 LESSONS MISSED EACH YEAR 32 days in total or 6 weeks and 2 days

We love having the children in school and that is when they make excellent progress. Well done to those children whose attendance is above 95% We would like more classes to have 100% attendance for a week and earn a non-uniform day.

However, if your child is not in school, they miss out on so many learning opportunities that help a child progress and develop in many different ways.

Please ensure that your child is in school every day and on time.

Remembrance Assembly

On Monday 29th November there will be a Remembrance assembly in the hall that parents are welcome to attend at 2:40pm.

We will say prayers and remember those who have been written in the Remembrance Book which is in the school reception and it will be led by Year 5.

Fantastic Footballers

Last Friday and today, children from Year 3 and a Girls' team from KS2 have competed in football festivals at MCFC.

All the children were wonderful. They are all a credit to the school and enjoyed a superb experience

Safeguarding

Nothing is more important to us than the safety and welfare of our pupils. We take rigorous steps to ensure that children stay safe and do not come to any harm. We work closely with parents/carers and a range of professional external agencies in order to secure this.

If you have any concerns, no matter how small they may seem, about the safety or welfare of any child, please contact the school's designated team of Mrs Vayro (Headteacher), Mr Cunningham (Deputy Headteacher), Mrs Murphy (Assistant Head), Mrs Hoban (SEND coordinator)

Online Safety has been a high priority in schools in recent years, in recognition that the internet can play an important role in a child's life and education but can also bring risks.

Here you will find lots of useful links to websites that will help you keep up to date with the latest trends in the sometimes confusing world of social media.

Loving Our Learning

The children and teachers are very proud of the learning that has been happening within school this week. To see more pictures, visit our Facebook, Twitter and Instagram pages.

Early Years loved learning in the home corner.

Year 1 loved tasting different fruits.

Year 2 loved exploring about money in maths.

Year 3 loved looking after the guinea pigs this week.

Year 4 loved the challenge of lighting a light bulb in science.

Year 5 loved learning about filming techniques in computing.

Have a happy weekend from Beryl and Barty.

Year 6 loved investigating to see how they can see around corners.

Bernard has been practicing filming techniques like Year 5 and enjoyed his close up.
