

Loving minds ♥ Hearts ♥ Hands

Weekly Newsletter

Gospel Assembly

Monday's Gospel assembly focused on how we can help others around the world. Year 5 shared that a part of the Amazon rainforest, the size of a football pitch, is being destroyed every 20 minutes. We will be having a fund-raising day on Wednesday 18th March

Healthy Hygiene

On Tuesday, children from Reception to Year 2 enjoyed learning about how they should wash their hands, with the school nurse. They now sing the 'abc' song whilst washing their hands so that they clean them for the correct amount of time.

Walking to School

On Tuesday, Paul from 'Living Streets', visited St. Ambrose to encourage us all to walk to school. He discussed with the children the benefits of walking to school or even parking slightly further away so that children can walk the last part of their journey.

Friday 6th March 2020

Dates for the Diary

Monday 9th March
Gospel Assembly - Year 6
Thursday 12th March
Science Assembly 2:30

E = Effort

Great Gymnastics

Well done to the children who competed at the Manchester Primary gymnastics competition. Our Year 1 and 2 finished 1st, winning gold. Our Year 3 and 4 finished in 2nd place winning silver medals. Our Year 5's finished 3rd winning bronze medals.

Fantastic Football

Well done to the girls' football team who played their final 4 games in the South Manchester football league. They won one, drew two and lost one. They have played many games during the academic year and have been great- well done!

Sharing the Love of Reading

The whole school enjoyed celebrating World Book Day on Thursday (see the reverse for pictures). However, a group of Year 3 and Year 4 children loved reading their favourite books with children from Lancasterian and joined in with their World Book Day activities.

World Book Day 2020

On Thursday, the children celebrated World Book day by taking part in a variety of activities and dressing up as a character from a book.

The costumes were fabulous and we would like to thank all the children and parents for making an extra special effort.

Well done to the winners from each class!

Reading Challenge

1. How long should you wash your hands for?
2. What is being destroyed every 20 minutes?
3. What is Mr Cunningham's favourite children's book? (The clue is his costume.)
4. Find another word for enjoyed

Maths Challenge

Ones and twos

Holly has six numbers, three 1s and three 2s. She also has lots of + signs, x signs and = signs.

1 2 1 2 1 2

She is trying to make the biggest number possible. Here are some she tried.

First try

$$\begin{aligned} 1 \times 2 &= 2 \\ 1 \times 2 &= 2 \\ 1 \times 2 &= 2 \\ 2 + 2 &= 6 \end{aligned}$$

Second try

$$1 + 2 + 1 + 2 + 1 + 2 = 9$$

Can you beat Holly's score?

What if Holly had three 2s and three 3s?
