## Gospel Assembly

In Monday's Gospel assembly the children listened to Gospel story of The Beatitudes. They discussed what it means to trust in God and to trust in each other. This week, the children continued to build trust with God by showing love to one another.

## Punctuality Picker

The children in school today had a very exciting assembly this morning. For each day the children have been coming to school on time, at 8:45am, they have been given a virtual raffle ticket this half term. These virtual raffle tickets equalled space on the random punctuality picker, which was spun this morning. The more virtual tickets the children had, the more space on the wheel they had and the greater their chance of winning was. Two lucky winners from each class received an amazing prize - a gift voucher for Smyths Toys Superstore. Well done to all the winners this morning, we hope you enjoy using the gift voucher to get a well-deserved treat. This will start again at the beginning of next half-term so for the children to increase their chance to win, they need to be in, and on time at 8:45am.
