Gospel Assembly

On Monday, Year 6 and Miss Gibbons led the Gospel assembly and focused on growing in God's love. The children listened to the story of the fig tree in the vine yard and learned about how if we treat others correctly, they will grow and flourish.

Loosing an Hour

A reminder that on Sunday, the clocks go forward an hour. Make sure that you change your clocks so that the children can be in school for 8:45am on Monday and get another virtual raffle ticket for the end of half term class raffle where children can win a Smyths Toy Store voucher.

Netball Competition

On Tuesday, children from Year 5 and Year 6 represented the school in a netball competition at St. Bedes. The children showed great effort and determination in competing against other schools. They won 1, drew 1 and lost 3 but improved in every game. Well done team!

Parents' Evening

Don't forget parents' evening!

A reminder that Parents' Evening is next Thursday, 2 pm - 6 pm.

If you have not done so already, you can book your slot with the class teacher on the School Spider app. This will be a face to face meeting in the school hall and you will have the opportunity to look at your child's learning and see how much they have progressed.

100% Attendance

Well done to Year 3 who had 100% attendance last week and as a reward, they had a non-uniform today.

It is a fantastic achievement and we hope that many more classes get to have a non-uniform day on a Friday because they have had 100% attendance for the week.

Girls' Football

On Wednesday, we had two Girls' football teams playing in the Manchester Central competition.

Both teams showed 100% effort against other primary schools and demonstrated how much they have progressed by playing really well. Well done to all the girls who played!
