## Year 6 Return

On Tuesday we welcomed back children in Year 6 to school. It was only a small group of Year 6 children who were in but it was fantastic to have children learning and doing a range of fun activities which included art and PE which they enjoyed. These children have been kept in their own bubble so that the school can be as Covid secure as possible.

## Reception and Year 1

On Monday 15<sup>th</sup> June, we welcome back children in Reception and Year 1. If you have not let the school know yet if your child in Reception or Year 1 will be attending school on Monday, please email [schoolcommunication@st-ambrose.manchester.sch.uk](mailto:schoolcommunication@st-ambrose.manchester.sch.uk) and let the school know your decision. To see what measures have been put in place to ensure that the school is Covid secure where possible, visit the COVID-19 Updates section on the school website.

## Packed Lunches

If your child is returning to school next week please can you make sure they bring with them a packed lunch and water bottle each day.

Your child does not need to bring anything else in to school with them so please leave bags, pencil cases, reading books at home.

Your child's teacher will let you know which day they will be doing PE once they return. On PE day your child needs to come to school in their sportswear. Children are not required to wear school uniform. Please ensure they are in sensible clothes and footwear that can be easily washed each day.

Thursday 11<sup>th</sup>  
June 2020

Happy Birthday  
**Lucas**  
**Frankie**

## Purple Mash

Would you rather ride an elephant or a camel to school every day?  
This was the question that was set on the shared blog in Purple Mash this week. The most popular choice was to ride an elephant to school. Bailey would rather ride and elephant to school because camels spit although Grace L disagreed because she thought that elephants would crush cars. Next week's question is: Would you rather slide down a rainbow or jump on a cloud?

## Home Learning

Staff continue to update their class pages with learning for the children so please keep checking the school website for information. A reminder that the main platform for home learning is Purple Mash. If your child has forgotten their username for Purple Mash or any of the other online learning platforms, please contact school and the login detail can be sent to you.

## Fire Safety

The Manchester Fire service Safe4Summer campaign has begun. Usually, the fire service visit St. Ambrose but cannot this year due to Covid 19. You can visit the [www.safe4summer.com](http://www.safe4summer.com) to find information about the campaign and there is also a competition that children can enter by completing a mini project. Please also share with the school any learning based on this campaign that the children do.

## Home Learning

Thank you to everyone who has been sharing pictures with school to show what they have been learning at home. We love seeing the different activities that the children are doing, including the tasks set by the teachers. Keep sending your pictures in to [schoolcommunication@st-ambrose.manchester.sch.uk](mailto:schoolcommunication@st-ambrose.manchester.sch.uk)

Chloe and Rebecca have been enjoying reading a range of books including The Secret Seven. Keep up the fantastic effort girls!

During half term, JJ and Kymani had fun making bird feeders. They enjoyed seeing birds and even a squirrel eat from their feeders. Well done!
