Smart on the Outside

Whilst the school have said for children to come into school in comfortable, sensible clothing which is easily washed, Bernard has been getting his uniform essentials for being at St. Ambrose.

Bernard looks fantastic! Thank you to Mrs Hanson for creating Bernard's tie.

Year 5 Return

On Monday we look forward to welcoming back Year 5 children into school. A letter is on the school website (on the Covid - 19 updates page) with all the information about what the children can expect and what they need.

If you have further questions, please contact the school via phone or email using schoolcommunication@st-ambrose.manchester.sch.uk

School Minibus

This week, we had a new arrival at St. Ambrose - a new school minibus.

This is a fantastic addition for the school which means in the future, it will be easier to get our children to go on educational visits, compete in sporting events and represent St. Ambrose in the many ways the children do.

In September, we will have a competition to name the minibus, so we encourage you all to get thinking now for some good suggestions.

Happy Birthday
Rika, Emery, Riley,
Grace S

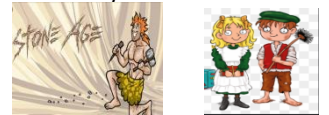

Purple Mash

Would you rather have a big part in a small film or a small part in a big film? This was the question that was set on the shared blog in Purple Mash this week and the winning response was to have a small part in a big film.

One response was from Cian who said he would have a small part in a big film because more people would see the film.

Sana in Year 6 has come up with this week's question, which is, *Would you rather live in the Stone Age times or Victorian times?*

Remember to give a reason for your answer.

Home Learning

A text message was sent out on Monday morning to remind everyone that a suggested learning timetable was on each of the class web pages.

These are 'suggested' timetables and are designed to help focus the children on their learning and help provide a routine. This is not the only learning that the children can do and we have enjoyed hearing and seeing the many other activities children and their families have been doing together.

Wildlife Watcher

You can earn a wildlife watcher badge! Just complete these 3 challenges and then fill in the application form on the **science page** of the school website!

- 1) Make something to help wildlife in your area (e.g. make a bug hotel or butterfly feeder or, etc.).
- 2) Spot some wildlife and record it (e.g. describe, draw, count or picture it).
- 3) Do something to help wildlife (e.g. create a wildflower area in a garden or window box).

Sunday Mass

This Sunday 3 children from St. Ambrose (Grace, Isabelle and Gideon) will be reading at Mass (virtually) at St.

Catherine's.

To access Sunday's Mass and Father John's and Father Michael's thoughts for the week use the link below.

Home Learning

Thank you to everyone who has been sharing pictures with school to show what they have been learning at home.

This week Blanka and Alicja have been experimenting with different ingredients. Fantastic!

Please send pictures of children doing learning at home to schoolcommunication@st-ambrose.manchester.sch.uk
