St. Ambrose Feast Day

Thursday was the feast day of St. Ambrose. Unfortunately, we weren't able to celebrate his feast day at mass in church this year. However, the children enjoyed learning about St. Ambrose and did activities about feast days in their classes.

Remote Learning Survey

Thank you to all the parents who completed the survey about remote learning and returned your answers to school today via school spider or a paper copy. This information has really helped the school in preparing a contingency plan in case children have to learn from home.

Prayer Garden

Today, the Prayer Garden was officially opened at school by Fr. Michael. This is a beautiful and tranquil area that will be used by the children and staff for collective worship and many other calm and reflective activities.

Sweets and Birthday Treats

We no longer allow children to bring in sweets or treats to share with others for their birthday. We will sing happy birthday and celebrate in this way. Thank you in advance for your understanding and cooperation.

Year 4 Swimming

Year 4 will begin their swimming lesson on Wednesday morning. Punctuality is vital as the coach will leave soon after school starts. Children should also come into school with their swimming costume/trunks on, underneath their uniform.

Social Distancing

Please Help Us to Help You.

Thank you to those who have been punctual at the beginning and the end of the school day. This makes a huge difference in ensuring children are kept to their separate bubbles.

Please see below a reminder of where your child should be dropped off at the beginning and collected at the end of the day. Once you have dropped off/collected your child, it is very important that you leave the playground promptly and keep your social distance from other parents and families.

If you are just dropping off a child/children in Nursery, Year 1, Year 3 or Year 5, please do not arrive before 8:45am as this causes too many people to be on the playground.
