Loving minds ♥ hearts ♥ hands.

Dear Parents/Carers,

It has been noticed that we have a problem with head lice in your child's class, and I am writing to ask you to check your child's hair for lice or eggs very carefully when you get home. If you do find anything, please ensure that your child and all other family members are treated appropriately.

I am sure that you will appreciate that the school will do its best to prevent head lice becoming a major problem. If we find that a child in class does have head lice or eggs after today, we will be contacting parents and asking them to take their child home until their hair has been treated successfully.

To help minimise the spread of head lice, can we also ask that long hair be tied back.

Yours faithfully,

Mrs R Vayro
Head teacher
