Loving minds ♥ hearts ♥ hands.

Dear Parents and Carers,

St Ambrose has partnered with the COVID Symptom Study to help make sure our students are as safe as possible, whilst doing our part in creating the world's largest scientific dataset of COVID-19 in children.

We are asking all parents to join the COVID Symptom Study now, by downloading the free app (COVID Symptom Study- see picture of app below) and taking less than 1minute a day to report how your child/children are feeling each day even if your child feels well. With all parents reporting daily via the app, the app will provide a powerful tool for helping the school and parents understand COVID in the community and help keep our students safe.

We are asking all parents to download this app as soon as possible. The app is available to download from the [Apple App Store](#) and [Google Play Store](#). Simply create a profile for yourself and for your child/children.

Our Unique School Network Code is **BVHM72R**. To avoid outsiders joining, please do not share this code with anyone who is not a parent of our school.

For more information including full instructions on how to join and use the COVID Symptom Study app please head to: <https://covid.joinzoe.com/schools>

## What is the COVID Symptom Study app and why should you use it?

The [COVID Symptom Study](#) app is to support vital COVID-19 research. The Study is the world's largest on-going study of COVID-19. All data collected in the app is used anonymously for informing other parents in your child's school and your child's school, and anonymously for research and for public health purposes only.

Yours Sincerely

Mrs R. Vayro.  
Head teacher
