Silly Face Challenge

You see these faces every school day when they are making the daily video for your learning, but have you noticed their silly ways when the camera takes a freeze frame?

We would like you to vote for the teacher with the silliest face. Post your vote as a reply on the social media page with the newsletter on or email your class teacher who you think has the silliest face.

Challenge: Can you replicate your favourite face? Send them to your class email and the funniest faces will be put on the newsletter and social media next week.
